Good evening,

It is indeed our honor to be once again in the great state of Colorado, home of your nationally respected Governor, Jared Polis a proud member of our LGBTQIA + community, as well as, the beautiful city of Denver. Queen Mother Nicole the Great has been coming to Denver since the 1970s and is proud that her Royal Brother Emperor II Eddie Storez de San Diego crowned your first elected monarchs and we are proud and honored she is here today to celebrate the legendary Empress Scotti's 50th Anniversary.

Queen Mother Nicole has many Royal children in Denver including her Royal Daughter Empress 24 Nina Montaldo, who she proclaimed Queen Mother I of all Colorado. Among her children are Empress 17 Brittany Michaels, Empress 19 Brandi Roberts, Czarina Betty Pages, Emperor 48 Jio and many others.

The Queen Mother, Nicole and King Father II, John the 1st want to especially thank and acknowledge your President of the Board Empress 38 Stephanie Paul for her years of leadership.

King Father II John the 1st is especially excited to be in Denver as it has been many years since he last visited and hopes to continue to make new friends as your elected King Father II of the Americas.

We salute Denver on 53 years of Noble deeds and remind you that in 2026 for America it's "out of the closets and into the voting booths!!"

Respectfully,

Empress Nicole The Great

INTERNATIONAL IMPERIAL COURT COUNCIL
U.S.A. – CANADA – MEXICO

On This Day January 1st 2026
We proclaim that 2026 will be known as

“THE YEAR OF THE VOTE”

As America in 2026 celebrates its 250th anniversary, the **LGBTQ community must all become registered and engaged voters that will move America forward not backwards.**

The top priority of the International Imperial Court Council will be to register and turn out the vote in 2026, especially in red states where we have many Court chapters.

We will have a booth at the upcoming annual National Creating Change Conference in Washington, D.C.
We also acknowledge that some provinces in Canada are also facing anti-LGBTQ legislation.

We are sending another \$1,000 donation to Egale (a national Canadian civil rights organization) in honor of acclaimed Trans activist Marni Panas.

We commit to continue our support of Canadian LGBTQ civil rights causes in 2026.

As our international organization enters its 61st year of noble deeds and public service, we urge all Courts and Boards of Directors to give more focus to inclusion within our entire diverse community.

It is long overdue that all Court chapters embrace and support our growing transgender and nonbinary members. It is time all our Court titles reflect our changing community and its new generation of members.

We should also be more welcoming of our straight allies and friends who are members.

Our great wish for 2026 is that you and yours find happiness, health, and prosperity, and that our organization once again steps up to meet the serious challenges ahead.

As a community, often it seems we find ourselves in different corners and even at odds.

While passionate discourse is always valuable, our hope is that this year will find us coming together, supporting one another, and looking beyond what separates us to find common ground.

This is not the time to point fingers at each other but to extend our hands to each other.

In the immortal words our beloved founder LGBTQ Civil Rights Icon, José Julio Sarria taught us:

“United we stand, divided they catch us one by one.”

With Gratitude and Respect

Here is a formal grievance letter regarding the following:

Eldon Kirby. He was mean to me and made fun of my nose. Often. Thank you to Esther and Gladys for handling all the HR issues during the year. You were there whenever we needed you. Gladys, covering for Esther when she had her cruise was appreciated. (I blame Eldon). As I sit to write this letter, it makes me think back on all the people I have known for years or met during this time and the places I have seen. I think about their journeys and the stories I have heard. I now have my own to tell. I faced many challenges that some said would have caused them to quit. I didn't. I believe in the Community and the Courts. I believe in our purpose. That belief and my sense of duty kept me going. That, a few cocktails, and lots of laughter. I was fortunate to have traveled to ten coronations across the continent. I was the first reigning Monarch of the ICRME to attend Buffalo. I was the first reigning Monarch in 26 years to attend our child/grandchild court (depending on who you ask) in Winnipeg. By the way, you are the Canadian, and much better, version of Minnesota. Don't tell them I said that. I had my pants ripped off in Alaska (I blame Eldon), was inducted into the I-25 Mafia in Albuquerque, and guarded the thrones in Colorado Springs. Iowa was a problem. But when isn't Iowa a problem? My second home, and I am proud of the family names I carry: Aspire, Jackson, Bitter, Powers, Duflagan, Stahr, Knight, Saint, Ho, and Dubois. I saw sights in Florida that no one needs to EVER see. I celebrated my Minnesota family during times of upheaval. I co-hosted the Denver/Salt Lake Fashion Show in Seattle on coronation weekend (I blame Eldon). I sat on the Dais in Long Beach. After my step down, I will still be on the go. I am looking forward to sitting on the Dais in Rhode Island and celebrating in Austin in addition to my usual activities.

t took me a while to get into the groove of the weekly zoom calls but once I did, I found another source of support and understanding. Those calls will be missed. I may have to stop in for a visit every now and then. I was inducted into the House of Don't give a Duck, The House of Sh!t, became the Wife to the House of Naranja, I was voluntold that I was the Secretary of IHOG (I blame Eldon), and became Sister to a few folks. There are a few friendships I made along the way that I will treasure and a few who need to be buried treasure. As my Imperial Family has stated, It isn't a successful event until Zoey cries. I need another box of tissues. (I blame Eldon). To call out just a few people: Blake, I felt his finger against me and yelled.... F*&K. You are a true master at peer pressure. And I could not have enjoyed it more.

Brianna, you are killing it. Now, don't mix your alcohol. You and Crash are such good people. I would room with you two anytime. Lucinda, you are brilliant and so beautiful! Thank you for always leading with light. I appreciate your words. Billie and Shawn, thank you both for including me in your step down as much as you did. Giggles and Leah, you two are so amazing. Twisted, but amazing. All my love to your three little piggies. Ben, I have watched you for the last few years. Not in a stalking kind of way. Enjoy your reign because it goes by very quickly. I am starting to think that you Minnesotans like me. Ida and Evie, my wonderful sisters, your phone calls were a lifeline. Thank you for the music, jewels, but most of all the love. Now, leave the kitties alone. Ashley, I know you would have stepped in and helped. I miss you. Say hi to Dad for the rest of us. Reggie, you and I seem to travel similar paths. We both have done the "bare minimum." I love you.

M'Iris, you were a quiet example so many years ago. You are still so subtle. Zach and Alter, congrats to you both for getting to know me. You are some of the lucky ones. Demanda, I am so proud of you and your willingness to step out of your zone and do something crazy. Meow! Emery, you are so remarkable. I just love your hugs. Penny, we met in Alaska and your smile kept finding me across the West. I loved seeing you around. You are a joy. Lucas, you are doing such a great job. Continue moving forward. Jason, what do you get when you mix two Emprexes? Welcome, Prince Stevie!!! Pup, thank you for making me your wife. Love you, my Huspup. Johnathan/Taryn, your fingers are magic. Your hugs are almost as good.

Thank you for allowing me that moment. Mr. Haggard, lesson learned. Don't eat pizza off the floor. (I WISH I could blame Eldon). Randy and Kenny, you two are so sweet. (See what I did there?) Thank you for all the support. Joey and the staff at #Vybe, thank you for giving us the space to help the community. My Canadian halves, I mean HALVES! Sabrina and Doogie, thank you for making me choose you. Your perspectives have always been helpful. Thanks also to my American Halvie, Eldon; you gave me guidance, a supportive word, or a reality check whenever needed (I blame you). Shanda, I wish we could have connected more. Your experiences need to be shared. The Denver Cycle Sluts—You are such an incredible group of people. Thank you for all the support and snarky backhanded compliments. It shows how much you tolerate me. Oh Mae, you have never been a mistake. I am so lucky to have you in my life. Kay, your passion to stand with your chosen people is one of your best qualities. I am so happy you found a Charlie. Ima, I love you and your silly side. A true blonde redhead. Harlotte, my darling twisted child. Ugh. My mother Molotovia, you walked so others could run. Thank you for all you have done for the community. Latexa, oh, sister dear. You are the dark to the other's light, and you are so needed. Fonda Dixx/Ocho, I blame you!!!

To those Monarchs who stepped in to help, thank you!!! Chuck with your steadfast support, Alex for jumping in last minute so many times, Johnny for the campaign ideas, Brandi and Caeri for your help and your ears. Martini, stop trying to get me in trouble! Lamar, thank you for your insight. Roger for all the behind-the-scenes work, Mercedes for not making me wear Bronco Orange, and last but not never least, Scotti, my 50-year anniversary Empress, and Gary for showing me love. Your continued involvement after all these years is THE INSPIRATION. Loki—Your weekly check-ins (about once a month) and your friendship have kept me from losing it. I adore you. Thank you to my united line for sticking with me and learning as we go along. Your support has been invaluable to the community. All of you have bright futures, and I am here for you all. My Grand Duchess Unique—I wish you all the best on your journey, and I need to borrow a few outfits. My other Grand Duchess Nevaeh—Thank you for staying with the line. Czarina Kiki—Your quiet strength is inspiring. Czar KB—I believe in you and your future. I still wonder if you were the one who pushed me down the stairs. Marquessa Harlotte—Well, ugh! Did you get enough points? Marques Giovanni—You, with your ready smile, will go far. Reina Christina—You are the cowgirl to beat them all. Stick Horse Rodeo is FIRE! Don Brian—Thank you for your quiet support. Baron Rapheekee—You light up the stage! Iman—GURL! You just don't know how much you did.

My PRs who tried to do everything for me even when dealing with their own drama as well. Choc-Latini—Have you met my Princess? When we first met, so many years ago, you became family. Thank you is so inadequate. Hunter Down—You were not just my choice but the right choice. I am so proud of you. Teaching me while you travel your path. It was truly my honor to have you both at my side.

I love you to the moon. To my Emperor Ed—I wish you could see what was accomplished. You would have risen to the challenge of being a Monarch and rocked it with me. You are always on my mind. To my Husband Fred, thank you for being my sounding board. I apologize for all the times I snapped at you. We have survived the reign and come out stronger. We can focus on being us again.

Now to plan our next trip. Σ'αγαπώ Παραπολι

Forever yours, The Festivity of the Crystal The Emerald Glitter Bejeweled Crab Empress of Service and Snark... Allegedly Empress 52 of the Imperial Court of the Rocky Mountain Empire Zoey Dubois Diddim
