About the Imperial Court of the Rocky Mountain Empire

Established in 1973, we are the oldest gay, lesbian, bisexual, and transgendered organization in the state of Colorado. Many of the major cities in the western United States and Canada have a Court System in their community, and we are a chapter in The International Court System.

The Imperial Court of the Rocky Mountain Empire, or ICRME, has expanded during its existence. Over the years, we have broadened our definition of the community to read as the gay, lesbian, bisexual, and transgender community. We continue to hold functions for the enjoyment of this community, but most importantly, we have remained committed to raising money for charitable organizations and helping those in our community who need assistance.

In 1965, a Court System originated in San Francisco for camp fun. From that beginning, camp titles such as Emperor and Empress were derived. Those positions served as co-presidents of the organization. The Court System was designed to be a social and community service organization.

Elected officers and representatives of the communities were tasked to achieve the following goals:

- * Further relationships with businesses and organizations within their communities
- * Hold functions for the enjoyment of the gay and lesbian community
- * Raise money for charitable organizations
- * Help those in their communities who needed assistance

Throughout the years, the Court System has raised hundreds of thousands of dollars collectively to channel back into charitable, social, and political causes.

The Imperial Court of the Rocky Mountain Empire has been in existence since 1974, and we are one of the oldest gay, lesbian, bisexual, and transgendered organizations in the state of Colorado. Many of the major cities in the western United States and Canada have a Court System in their community. In essence, we are a chapter in an international organization.

Coronation (a gala function held once yearly), is where voters from within the boundaries of our realm, which ranges from Castle Rock to the Wyoming Border, crown the newly elected Emperor and Empress. This is significant, as the community has a voice in selecting

who they want to represent them in their organization's fund-raising capacity. Our members also attend Coronations throughout the United States and Canada representing the Northern Colorado area to further relations with outside communities.

The Imperial Court of the Rocky Mountain Empire, or ICRME, has expanded during its 42 years of existence. During this time, we have broadened our definition of community to read as the gay, lesbian, bisexual, and transgendered community. We continue to hold functions for the enjoyment of this community. Most importantly we have remained committed to raising money for charitable organizations and help those in our communities who need assistance.

In the last 15 years, we have given away close to a million dollars to charities and non-profit organizations in Colorado. A variety of shows are hosted each week with a designated beneficiary which will be the recipient of the proceeds collected.

In addition to the shows that are held, many Court Members take part in other community-based activities that call for the giving of time instead of money. Some examples are:

- * Funding and handing out Thanksgiving meal baskets during the CAP Thanksgiving Food Drive
- * Partnering with our local GLBT Sports teams

In 1994, The White Rose Scholarship Foundation was created. A program of the Rocky Mountain Court System Inc., this foundation was created to award scholarships to Northern Colorado residents, enabling them to continue their college education. The money is donated directly to the schools with the stipulation that the scholarship award is to be used for tuition or to purchase textbooks. The eligibility criteria are that the applicant must reside in Colorado and attend an accredited higher learning institution.

Our organization is open to anyone and everyone. Our members represent every aspect of society. A person's gender, ethnicity/race, background, sexual orientation, or lifestyle has no bearing on acceptance within our organization. Everyone is welcome.

If you would like to become involved in the ICRME, watch for regular updates on our website about our organization and upcoming events.

Good Evening,

I would like to say that this year has been magical, but it was not all that it should have been. Coronavirus ended Reign 46 and didn't allow us to finish with the bang that we were hoping to happen. Due to Alexander Sexton with assistance from Johnny Romero; we were able to have this night to complete what was started. I am honored to be able to thank them both from the bottom of my heart.

Much thank you to all of the courts far and wide that showed their love as I got to show up for their events.

I would like to thank Jazmine James, Tyler Bohn, Lala Shearz, and Colter Cordova for reminding me to keep my head up.

Thank you to Lushus La'Rell for helping make Snowball a success. Thank you to The Denver Cycle Sluts especially my ESS, Zoey Did-dum, for keeping me laughing along with my Personal Jesus, Fred Valdez for the love and support.

Thank you to everyone in the community who donated their time to help with the Holiday Drive especially the Denver Drag Kings.

Thank you to Bootzy Edward Collins for making me look like an amazing king and saying yes to being my personal entertainer.

Thank you Star Kirkland and Anna Rexik for allowing me to assist with their year and not letting me feel like I was forgotten.

Thank you Joe Salas and Bella C LeCher, you never said never and always listened, loved me.

Thank you to my Drag babies (Dannie, Maggi, Julian, Mary Cone, and Wild Cherry Quartz)

Thank you to my Drag Moms (CC De'Ore, Shanda LaVera, and Deneka Ashley St James)

Thank you to my Drag Dad (Santos Ashley St James)

Thank you to my Evil Pixie Twin, Wateer Xaris, who said breathe and slow down. I love you Sis!

Thank you Maverick Smith, my super Bro, anytime I asked you made it happen.

Emperor 46 Karl and Prince Royale 46 Jio: we did it. Keep on keeping in and never forget to fight the good fight.

Last but not least, a huge thank you to Gabbriella But'zin who went through it with me just about everyday. Either in person or in the phone day or night. I love and appreciate you and your creativity.

Thank you to Chance Purcell, you came into my life when I didn't think that I needed you. When in all actuality, I needed you the most. I love you Honey Bunny.

Thank you to my beautiful daughter, Babycat aka Zyanya. I did this for you to see that community does really exist. You are my everything!

To the community, I am and will always be in service to you and thank you for allowing me many years of love and performance and fundraising.

I will never forget this journey.

In Service to The Community

Ladycat LaVera De'Ore

Princess Royale 46

Good Evening and Welcome to a virtual celebration of the 46th Reign of the Imperial Court of the Rocky Mountain Empire. What a couple years this has been, and a chapter in my life that I won't soon forget! As I look back I am glad that I took turned in my application, when I wasn't entirely certain I wanted to be an Emperor and yes there are moments where I wish I hadn't. I have been blessed to have meet so many wonderful individuals, I've been honored to learn so much about different courts, their history and their communities. To see children be given a Christmas they were not expecting, Scholarships to individuals to pursue their education, Individuals fighting a horrific disease be able to celebrate at a Prom style event. It's been a journey I'm thankful I took, to be apart of this rich history not just in Denver, but the Court System as a whole.

Royal Court of the Golden Spike Empire - Salt Lake City, UT - You will always hold a very special place in my heart. My very first out of town Coronation several years ago and my very first out of town walk as a Monarch, it will always be a memory I cherish and hold close. Your members have treated me so kindly and always been a phone call away to help wherever needed. Thank you for your hospitality and I look forward to many more encounters.

Marita Gayle, you've been such a #DenverDreams cheerleader all year, you've made me laugh and shared some incredible stories with me, I am grateful to have meet you and honored to call you friend and look forward to many more conversations and coronations! Big hugs!

Imperial Sovereign Court of New Mexico - Albuquerque, NM - Well! What do I say here? I didn't exactly represent myself in the best fashion, however many of you took the time to get to know me and give me a chance. I am humbled to call many of you my friends Brandon, Reyes, Jake, Elijah, D'Lite, Josh, and Egypt you have all taken care of me each time I venture down to Albuquerque and at a Coronation or two. You offered your homes or a room to share when I needed a place to stay. Filled in and offered to help me out when others left me in a bind. You've taken the time to check on me through my personal situations and ensure that I am okay. I will always be appreciative to you all and look forward to future shenanigans and creating many long lasting memories . Thanks for everything!

Imperial Sovereign Rose Court - Portland, OR - What can I really say here! It was Incredible to walk into a city with such history, history within the Court System as well as legends in the community, and the welcoming of so many that I have admire for years and those I finally got to meet is something that I will take with me and will always look forward to returning to the Rose Court!

Mr Bill, Champagne, Poison, Daniel & JenuWine you have been there cheering me on and encouraging me all year, it's such a pleasure I to know you and I look forward to seeing you all again.

United Court of the Pikes Peak Empire - Colorado Springs, CO - Oh Children! Anka you have always been a hoot, from UQC to Empress you are a wonderful human, never stop being you and being so crazy, your a class act! Nic and Autumn you both are such great and inspiring individuals to many, you state it as it is and work hard to drive your organization forward. Thank you for so many wonderful events I've gotten to attend and allowing me to give my first ever Invocation!

Imperial Rainbow Court of Northern Utah - Ogden, UT - Oh Salt Lakes Little.... child! Haha! I will remember your little town for sure, as soon as we got there you didn't let us stop it was constant go go go. I enjoyed every single minute of it. Especially our own little "Water Party" yes it was really water! I had so much fun. A little town with a lot of personality. The bus tour that seemed to go forever but yet every stop was fun and enjoyable, especially the Tacos! I will always have enjoyed attending and will most certainly come back and enjoy in the festivities.

Empire of the Royal Sovereign Imperial Court of the Single Star Inc. - Houston, TX - You were my 24 hour turn around. But I had a blast with y'all, thanks for catching me at the airport and getting me to where I needed to be. Jose Mo from Fresno is was an honor to meet you at this coronation and build a long lasting friendship with you! Coco it was a highlight to finally get to meet you after all the stories I heard here in Denver and the Sugarbaker's sure hold up to their name and Charm!

The Imperial Sovereign Court of Seattle - Seattle, WA - What a fun time! And my unofficial last out of realm walk, and what a better city to share that in! Off the plane and to the Bar for the Salt Lake/Denver Show was a blast!. And the rest of the weekend getting to meet so many wonderful people from around the Court System and make new friends. Boom Boom you are such a hoot you made me laugh and I will always appreciate your comment "Karl you have a great team there" when referencing my PRs. Rodeo "little ol' you" you make me laugh and great to see there are others out there encouraging Fun and not being to serious!

Denver Bars & Businesses-Thank you for opening your doors and offering up your venues for us to be able to express our art and do our fundraising. Without your generosity we could not be able to do what we do.

Lamar Cooper, Manny Sexton, and Alexander Sexton, Thank you for being such great Coordinators this year. You took over jobs that you weren't really expecting to do. And you came in and blew it out of the ballpark. Without you we would've had mediocre events, but because of you I got to enjoy myself and create memories that will last a lifetime. Thank you so much for all you've done, from my announcement party talking me up, throughout this entire year, I appreciate you gentlemen so much.

46th Family – to those of you who stuck with it till the end, I want to thank you for all you’ve done this year. From shows to beer busts you kept faith in the organization to see it continue to go forward, I hope that you will continue this drive and never let anything or anyone detour you from giving back to your community! Thank you for being apart of the year, all you do when and where you can!

Jio - What do I say here? We started off as quite the incredible team, we locked horns a few times and got through it, unfortunately in the end that fire burnt out. I hope one day you’ll look back and realize who gave you this opportunity, who saw something in you and took a risk. I wish you the best in your future journeys and hope that it’s what you want and not what others make for you. Always remember this is about Community, giving back and helping those in need, the glitter and sequins are simply just fluff! There is a great person hidden deep down within and I wish you the best in uncovering him. Thank you for being my Prince Royale and co-DenverDream!

LadyCat – We’ve been friends for many years and this journey did not start off on the best foot however we were able to talk it out and rebuild our friendship and keep it moving. Thank you for your help in making my dreams become reality, thank you for sticking in there in tough situations and roughing it out till the end. I hope you always keep your fire and passion alive and strive to make a difference in the community. You bring much to the table, continue to be that fighter and remember the good, remember why we do this. And everything else is small potatoes.

Mom, I miss you so very much and I wish you could be here tonight to see what it is your crazy child does. Unfortunately you’ll never be able to read this but I want you to know how much I Love You! You taught me what true strength is, you showed me that giving up is not an option and that even when you hit rock bottom you can come out shining in the end. I will always be proud to

call you my Mom! I will always love you! No matter where I am you will always be with me!

To all that were not mentioned, to those I met briefly in passing, to those who reached out on social media, those who pushed me forward I am grateful to you all for everything no matter how big or small, there have been SO many of you that have encouraged me and wanted to ensure my success, for that I will be forever appreciative to you.

And finally to those who tried to bring me down, the long tongue liars, the back biters, thank you for teaching me more than you ever intended to teach me! You taught me how to be a bigger person, how to walk taller and be stronger, you ignited my fire, my passion greater than you can imagine. Thank you for being promoters of my reign and giving me something to change minds about... who I really am! “the Karl Wesley that people love and adore.” Thank you for your continued lip service!

Always and Forever, to my family and my Community!
The Legend of Equus,
Emperor 46
the Karl Wesley

As we get near to the closing of this cycle, the end of this reign, the celebration of a new year, one can't help but to feel like a mixed bag of emotions.

It was the Monday before coronation weekend, right before candidate number rehearsal, outside Blush n' Blu Bar, where I got asked if I would consider being PR. I really didn't know what all that entailed, but my mind is as racing and I was excited. All the dart dreaming came to an abrupt stop when the words "travel" came out of the soon to be Emperor's mouth, I mean being a business owner, being self-employed, having employees that rely on me make it hard for me to do anything in town on the weekend, so traveling was a deal breaker for me... I'm very realistic and I do not sign up for anything that I know I can't do, it's not in my character... sorry.

May 26, 2019 - Salt Lake City

This road trip would not have been made possible without the assistance of E39 Ken Bazan, thank you for sharing your stories and knowledge on the way there and back.

This was my first out of realm coronation ever, this was all new to me and trying to soak in every second of it. It felt like home when I bump into E25 Kir Royale at the out of town show. This is the coronation where I'm sure I met most of the royalty I'm now friends with but was so much and so new to me that I don't recall meeting everyone here, but they remember meeting me.

This is where the hashtag #denverdreams was born with the help of Queen Mother of All Utah, Marita Gayle.

June 1, 2019 - Albuquerque

This coronation weekend was unforgettable.

August 10, 2019 - Everett

Thank you Emperor 29 Randy Crystal Wolfe D'Ville for inviting me to be a guest to the dais and be part of your grand night. This coronation weekend will always be a memorable one: Emperor 23 Of Waco Texas, Jeff Janey and I got to spend a lot of time together, we lunched, went to Walmart, worked out and introduced me to another dear friend of mine Empress 37 of Bellingham Kayla Storm (Eric Jose). This is the first time I've fallen off during a performance (note to self- never climb on tables). This is the only coronation that I've worn two different outfits to.

October 19, 2019 - Portland

Another night full of life lasting memories and friendships... for one tiny second, this weekend really felt like home. There was so many of us, ICRME representing... it was good to see so many familiar faces. This is where I met one of my all time favorite people, Emperor 46 of San Francisco Leandro Gonzales. Emperor 18 of ICRME Gregg fell cause it was raining and the sidewalks were slippery. I lost an earring at the bar and blamed Empress 53 of San Francisco Pollo Del Mar for it. There was five of us sharing a suite at the hotel, so getting ready was fun.

The coronation ceremony was fantastic and it was a great pleasure to see Empress and Emperor 60 Kimberly Michelle Westwood and Daniel Surreal Fox step down. Kimberly, has always complimented my outfits and she did not fail to do so on her big night as she handed me her stepdown pin (It's the little moments that count).

November 23, 2019 - Ogden

This is the first time I travel to a coronation with not only one, but two suitcases. Imperial Crown Prince 19 Atticus Wolf asked me to be his command performer, six months of friendship had turned into brotherhood and I truly couldn't have been more honored. This same night I was also presented with the "Prince to Prince" award. The bus tour was an interesting one for sure, we made our first stop of the tour which didn't last very long because the heterosexuals were upset the homosexuals were at the bar on the wrong night. I met my brother Kallan Bathke (Lucifer Storm Foxx) Imperial Prince 39, for the first time during this trip.

December 7, 2019 - Las Vegas

This is a coronation that due to unforeseen circumstances I almost didn't get to go, but thanks to E38 of ICRME, Stephanie Paul for talking me into going and even offering to help pay for my room ...that's why she's my fairy godmother. Thank you once again to Emperor 23 Of Waco Texas, Jeff Janey for sharing his hotel room for me and hanging out with me. We got to go to the Apple Store to get my pods fixed cause non-working pods made the flight to Vegas so torturing. We went to The Avengers Headquarters, which was lots of fun and I got to introduce him to my favorite Taco joint in Vegas. I spent half of the coronation ceremony on the phone with one of my employees who set an alarm off at one the accounts we service... smh, but while outside I met some new AMAZING faces this is where I got to meet one of my all time favorites ... Lucinda Rear! I also got royalty from the Ontario court, Hrism Stan Mac-Kenzie Storm and Trevor. I still can't get over how Frontier lost my bag, all 49 lbs full of clothes and costumes... missing my Adam Lambert outfit.

February 22, 2020 - San Francisco

This trip was bittersweet in so many ways, it felt like the beginning of the end. I got to experience people wearing faces masks in public for the first time and it was just too confusing cause no one new if they were doing it to protect themselves or because they were carrying the COVID-19 virus... looking back at the experience, it sure made it easier for me to understand the mask mandate when it was implemented here at home. I got to learn a lot of history about our mother court from ICRME E18 Gregg Looker, we spent lots of fun times at the Castro and we kept bumping into everyone we knew. We celebrated National Tequila Day at hamburger Mary's which turned my face brightly red. I helped HMIM Princess of the Americas, Bettie Pages with her crown and it was my first time helping someone in drag put a crown on over a wig and did not know all the pins it takes to make that happen. During this coronation is when I finally met in person one of my dearest friends, Grand Duke 41 TJ Wilkinson. I got to hangout with lots of people from the Imperial Court of All Alaska including Amable Junior Rosa (Glenn Coco). As PR I got to deliver the plates to the stepping down monarchs, Emperor 47 A.N. Terrill Grimes and Empress 54 Baby Shakes Munro, along with doing the court walk with E18 Gregg Looker, E19 John Menchaca, E25 Tom J and E38 Stephanie Paul of ICRME.

March 7, 2020 - Long Beach

The one stop that was coincidentally scheduled the same weekend as the fitting for my prince step-down outfit and it was one of my favorite ones. I got to meet my designer Thomas Ogden for the first time and I couldn't have been more happier with what he came up with based on my vision. We had been planning this costume since end of September and I was floored to see it in person, he's one of the most talented and sweetest human beings ever. I even got to go shopping with him and felt like a celebrity cause all the fabric stores know him by name.

I'm not sure if it was because by nine coronations in everyone was now familiar to me, but this coronation felt a lot like home away from home... there was lots of royalty from Albuquerque, I got to spend, eat and laugh with them all, Emperor Egypt Versace, Prince Royale 27 D'Lite DeLeon, Josh Ortiz-Hernandez (Atlas DeLeon), Kiki Stratton, Dahlia Rico-Stratton. I also got to spend time and meet some of the royalty from Fresno court Jose Mo, Maliyah Menage Martinez (Menage's) and Lucinda Rear came to my rescue by providing the DJ with my music for the Out Of Town show. I had a good time talking and joking around with people during the bus tour Misty Blue and meeting Josh Krantz. This is home of my all time favorite person, Empress 48 of Long Beach Mahalia Nakita and I'm more than honored to have witnessed her celebration.

It is March 8th, I just walked my final out of realm walk as Prince Royale XLVI of The Imperial Court of The Rocky Mountain Empire, also I now have with me the costume I will be wearing five weeks from this Friday at my own PR Ball... where did time go? Can we make it stop for a second?

I guess be careful what you wish for because a pandemic has just hit and has literally stopped time... as of March 16 our PR Ball is postponed until further notice.

Please stay safe and Mask up... until we meet again,

Love,
The Ultimate Metallic Avenging Prince of Soul and Style

Reign 46 - 40 Year Anniversary Monarchs

The Court of the Lion and The Fire April 14, 1979
The Fire Rose Empress Empress VI, Christi Layne Elizabeth
The Lion Emperor Emperor VI Mark Bovay

The city was ready for excitement and fire and they found it in the election of Emperor and Empress VI, Mark Bovay and Christy Layne. While the drag community had always been supportive of the Court, the Leather community had been a bit hesitant. But with the completion of the 4th and 5th Reigns and the Emperors who were elected, the selection of Emperor VI, Mark Bovay solidified the support of the Leather Community for the Court. Both the Emperor and Empress were strong personalities and oftentimes this resulted in a loud discussion or decision. The one thing the Emperor and Empress always agreed upon was the support of their city and Empire.

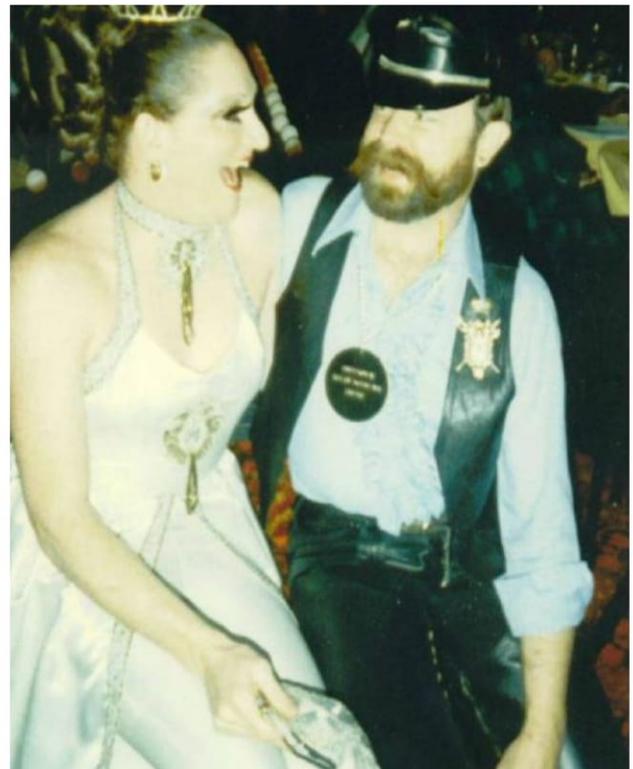

By the time, the city was becoming loaded with other organizations – some inspired by the success of the Court. The sixth reign was the first to publish a revolving community calendar and court schedule. This reign also was the first to produce a cohesive mailing list and mailed out minutes of its meetings to interested individuals. Christi and Mark exceeded 200 meetings/events etc. during their reign. They were the first monarchs to organize a candlelight march around the State Capitol. The 6th Reign maintained an ongoing relationship by going to monthly meetings with the Tavern Guild in order to work together.

The lines of succession were also a very visible and busy part of the sixth reign. For the Empress, there were as Princess Royale, Tammi Lynn Noel; Crown Princess, Rae Bobian, Queen Mother (for life) Pearl DeVere; Grand Duchess, Sonja Ozi; Czarina, Miski; Baroness, Judy. On the Emperor's line there were Prince Royale, Ray Allen; Grand Duke, Gary Edwards; Crown Prince, Kenny McDonald; King Father for Life, Roger Dent, and Baron, Rick Linnane.

Christi appointed Lud Vallani as High Priestess to the Court for Life and Mark appointed Rick Linnane as Baron for Life.

The stepping down, "An International Leather and Rhinestone Fantasy" held for the 1st time at the Regency Hotel on April 26, 1980, was terrific and set the stage for the seventh reign..

Reign 46 – 30 Year Anniversary Monarchs

The Court of The Silver Grizzly & the Crystal Phoenix April 1, 1989

The Crystal Phoenix Empress Empress XVI Bublz LaRue

The Silver Grizzly Emperor Emperor XVI Ken Barker

Again, the city was ready for a year of energy and fun. The citizens of the Empire found these qualities in their sixteenth monarchs, Emperor and Empress XVI, Ken Barker and Bublz LaRue. The sixteenth reign made a special effort to be representative of the city in which they reigned. At out of town coronations, Ken and Bublz took bar advertisements, the community newspaper, matches, anything that advertised Denver and Colorado and took over hospitality room by chatting up Denver and its charms to everyone. The Sixteenth Reign also dedicated their Ball Program to the Tavern Guild in a salute to all the bars and businesses, which had been instrumental in supporting the Court. The city returned that favor at Ken and Bublz' stepping down. The first act, dedicated to in-town business and organization entrances, consisted of the largest number of participants in the history of the Court. The sixteenth reign also managed to squeeze in a couple of firsts during their tenure. The "Adopt-a-Monarch" campaign was begun in order to help the lines of succession learn more about the Court's history as well as to let the past monarchs know their experience and wisdom was sought and important. Also, upon their stepping down, the Crystal Empress tradition for all the Empresses of the ICRME began.

The Radisson hosted the PR Ball "A Tribute to the Silver Screen," where the last elected Pit's were chosen. "A Crystal Christmas," the annual Snow Ball, and the King of Hearts Ball, "Oriental Express," were both held at the Denver Turnverine.

The lines of succession played a huge part in the success of this reign. The 16th Reign was supported by Princess Royale, Cheryl Brouhard; Queen Mother, Pearl DeVere; Grand Duchess, Carissa Cambridge; Czarina, first was Casey O'Shea, then Christina Le Austin; Marquess, Rosa; Baroness, Miss Kitty; Countess, Kelli Marie and Reina Yvette Monet. Supporting His Majesty was the Prince Royale, Thom Frey; King Father, Ron Heath; Grand Duke, first was Mike LaSasso, then Ron Atkinson; Czar, Arthur Brown, Marquis, Tim Wulf; Baron, Dwayne Ohis; Count, Kevin Carlheim and Don, Buddy Cress. The Permanent titles for the 16th Reign were awarded to John Menchaca as Supreme Crown Prince for Life and to Kelli Marie as the Princess Regal, Keeper of Love and Laughter for Life.

The Regency Hotel, hosted "A Diamond Dynasty; China and the Universe in the Year 3000, A.D." The sixteenth reign came to a close with a smashing success and with the dawn, came the beginning of the seventeenth reign.

Reign 46 – 20 Year Anniversary Monarchs

Snowball was held at the Executive Tower Inn and themed "Christmas in Rockefeller Center, While King of Hearts was held at Holiday Inn DIA and Themed "An Imperial Safari Through the Serengeti" and P.R. Ball was also at Holiday Inn DIA and Themed "East meets West, An Enchanted Evening on the Mississippi."

These Monarchs, as in the past, were blessed with a hard working line of succession which included Prince and Princess Royal Chuck Mecham and Jackie Summers, Grand Duke and Grand Duchess D.J. Clark and Jessica Scott, Czarina Alexis Del Ray Wolf, Marquis and Marquessa Stephan Gerow and Chamblee Tucker, Don and Reigna James Arnesh and Veronica St. Andrews, Count and Countess Jeffery Ralyea and Donna T., Baron and Baroness Coryn Fairchild and Bar-

bie Blake, Supreme Crown Prince and Princess Burk Valdez and Charis Loren, Crown Prince and Princess Ron Jenkins and Simone Evans and Lord and lady George Wright and Savannah Haze.

John gave his Permanent title to Mikayla Royale as Imperial Crown Princess and Protector to the Lion's lair for life and Jazzanne gave her Permanent title to Jessica Scott as Keeper of the Purple Moon Goddess Friendship for life.

This fun and Exciting year came to a close at the Holiday Inn DIA with "An Egyptian Fantasy An Imperial Evening in Cairo" and sailed Down the Nile to make way for the birth of the 27th reign.

Reign 46 – 10 Year Anniversary Monarchs

The Legendary Crystal Court of Devotion, Laughter and Transformation

The Legend of The Kodiak The Big Boy Emperor of Change and Devotion
Emperor XXXVI Allen Haskett

The Revelation of the Crystal The Malachite and Ivory Celestial Swan Empress of Dignity and Laughter
Empress XXXVI Sophia DeVille

The 36th Reign took on many changes for their year. It was the last year that the Empress would host Snow Ball alone, and the last year the Emperor would host King of Hearts as a State Event. There would be an added function called the All Candidates Event to kick off the campaign season. Another big change for the ICRME would come in the form of a nationally recognized headliner at Coronation. The board of directors chose R&B recording artist CeCe Peniston as the headliner. Many changes were made to Coronation weekend based upon a private committee's recommendations. The Monarchs were very gracious and allowed many changes to be made during their step down weekend.

Snow Ball 2009 "A Celestial Journey into the Antarctic Winter" was held on Saturday November 21st at the Sheraton Four Points Hotel, it would be the last state event held there. Horizon House and Urban Peak were the recipients of the evenings' fundraising efforts. Twenty Year Anniversary Emperor Ken Barker created a spectacular winter set. It would be a tribute to his own Empress and her Snow Ball with three giant snowflakes center stage. Empress Sophia invited two reigning Empresses to be commands at Snow Ball, Empress XVII of the United Court of the Sandias, Aleah Rico; and Empress XXIX of the Imperial Court of Nebraska, Holly Day. Empress Sophia chose Urban Peak and Horizon House as the beneficiaries. Special thanks to Ball Coordinator Empress Sydney Andrews, Program Coordinator Emperor Gregg Looker and Set Designer Emperor Ken Barker. Empress Sophia awarded the Kinsey Award to Roby Frank for his years of service to the ICRME and his hard work for her. Emperor Allan's King of Hearts "An Imperial Evening at the Chocolate Factory", was held on Saturday February 20th at the Ramada Inn, a new venue for state events. Emperor Ken Barker created a special set for KOH and the Ball was coordinated by Emperor Lamar Cooper. Program design was created by Emperor Gregg Looker. Charities for KOH were CAP and Howard Dental Center. Coronation 37, "An Evening with the Tudors, A Royal British Coronation" was held on Saturday April 17th at the Renaissance Hotel. Emperor Michael Vrooman was set designer, Emperor Lamar Cooper and Empress Brandi Roberts were ball coordinators. Urban Peak and The Alzheimer's Association were charity partners who would receive proceeds from Coronation. Empress Sophia named Kristen Ruby as The Iridescent Ruby of the Celestial Swan and Precious Gem to all Empresses for life and Emperor Allen named Jim Barry as Prince Consort to All Emperors for Life. We would be blessed with over 20 out of realm courts walking on Coronation ni.

Emperor Allen and Empress Sophia were fortunate enough to select a group of hardworking individuals to serve on the 36th family: Prince Royale Dan Yates and Princess Royale Sue Anne Michaels, Supreme Queen Mother - Empress 2 Scotti Carlyle, King Father - Emperor 32 Lamar Cooper and Queen Mother - Empress 34 Janelle St. Christopher, Godfather - Emperor 33 Michael Vrooman and Godmother - Princess Royale 20 Rosa Marie Sugarbaker, Grand Duke Michael Martinez and Grand Duchess Shanida Lawya, Czar Donna Lopez and Czarina Mandi Monroe, Marquis Ken Bazan and Marquessa Michelle Schultz, Don Kelly Byington and Reigna Isabela Markes, Baron Rodd Remmelts and Baroness Kristen Ruby, Count Tina Stegall and Countess Debee Summers, Dauphin Anthony Alexander and Dauphine Choc-Latini, Imperial Lord Chris McCoy and Imperial Lady Unique Li Devine, Crown Prince Justin Price and Crown Princess Gia Lamar.

The 36th reign would come to an end on April 17th 2010 and would usher in the 37th reign.

.....*el fin.*

As the year went by for me as an emperor. I know this year was a hard challenge for everyone even with me. I know that we have not travel the circuit and not to see the other people able step down.

2020 was a challenge for all of us. We had to learn different myth of doing shows during the year. Doing shows on Facebook live and doing different shows on zoom twitch and maybe on other apps that you can go on live.

History of my life through the years since I join the icrme. When I join the organization as my cousin Manny Sexton was the candidate for emperor 43. I know when he asked me to join his group to help him. As I learn the experience of icrme and when Manny show me the ropes. I learn a lot about the community and the organization. Manny and Bryan give me a chance to do a song in sign language while they were performing. When I was count 43, I did a lot of show with my group members and with some awesome Monarchs. And as I have a adopt Monarch to show me what need to be done in the proper ways without doing mistakes.

Emperor 44 Jon Crunchy Crenshaw saw what I was doing while I was count 43. He asked me to be his prince royale 44. I know was inspired knowing I would be doing good things to help the LGBTQ community as well as raise funds for various charitable organizations. Over time I have enjoyed helping others and supporting our charitable partners. As a member of the Imperial Court, I was able to travel to other cities, meeting people, making new friends, and supporting other courts. I feel that I have gained enough knowledge and experience that I will represent the Imperial Court well. While I was Prince Royale 44, I was able to travel and meet new people though out the circuit of the ICS.

That when I met my drag brother Hayden Skywalker at his step down as prince in Tacoma, Washington. I been going to Tacoma for few years because of him. And able to see other members of the court of Tacoma diamond phoenix empire. My drag brother Hayden Skywalker, we always text each other every day. We always check on each other and see how we are doing sometimes we just say hey brother how are you? And we talk for hours when we can. Then he induced me to our drag dad Justin Benedict, though the years we will talk to drag dad to see how he is doing.

When I was running for Emperor 47 as a candidate. This was my induction to the community, hello everyone, I am Drew Juarez Benedict-Skywalker, I am a candidate for Emperor 47 As Emperor 47 I would like to reach out to the deaf community and those with other disabilities, raising awareness that they too can contribute to the betterment of community as I have done. And able to help the LGBTQ community as well as raise funds for various charitable organizations.

My title is The Legend of the Arctic Lion, the arctic blue Sapphire heart Emperor of Strength, courage, and determination His Most Imperial Majesty Emperor 47 Drew Juarez Benedict-Skywalker. The reason why I pick my prince and my line succession, my prince royale is Freddy Mendoza, grand duke 47 Onyx Steele, Czar 47 Dustin Sch Long, Marquis 47 Kaptain Inherpants, Don 47 Joey Miranda, Baron 47 Roger Conejo, Count 47 Tammy Brunette. My king father is Manny Sexton, Godfather Fred Valdez, Mafia father Bryan Lowe and Entertainer to the emperor Jio.

As I was the emperor 47, my charity is DOVE, Deaf Overcoming Violence through Empowerment. Through the year I worked with DOVE to raise money. They are a nonprofit organization that helps deaf, deaf blind, deaf disabled and hard hearing people through violence's and experience abuse. I been raised money for them, and they give me a nice letter.

Dear Drew and ICRME,

Thank you so much for your generous sponsorship for DOVE's Virtual 20th Annual Benefit Celebration (ABC)! You have been extremely supportive of DOVE this past year and beyond, and we deeply appreciate and value your kindness and thoughtfulness, Drew. You have been amazing to include DOVE in all your ICRME fundraising efforts! We appreciate you!

We are deeply humbled and thrilled by this amazing community's support for DOVE. After 20 years of service, our incredible network continues to show up and truly make a difference in the lives of survivors and victims of abuse in Colorado. Our work is not finished, but we continue to dedicate every day to our mission - supporting Deaf survivors' healing journeys. Your sponsorship impacts DOVE's clients of intersectional backgrounds and identities - including BIPOC and LGBTQ Deaf, Deaf Blind, Deaf Disabled, and Hard of Hearing survivors of abuse.

We could not do this work without your support, Drew. You all helped make our ABC a *smashing* success! THANK YOU!

We did a lot of virtual shows and do anything to raise money for our charities and for our community. And we did some videos and some live feed performances for other courts and other organizations.

Manny Sexton, thank you for everything that you did for me all these years. You did a lot for me as you were my first emperor to show me the ropes. Thank you for giving advice and show what is to be an emperor. Thank you for being my king papi during my reign.

Jon Crenshaw, My Emperor 44 thank you for being an awesome friend and a role model through the 4 years that we been

Caeri Mancini, thank you for everything that you did for me when I ask for donations for auctions.
Fred Valdez, thank you for being my godfather to my reign. And check on me when I need it. Robert Flores, thank you for being my friend and checking on me during the reign. Bryan Monroe, thank you for being my mafia father to my reign.

My prince Freddy Mendoza, thank you for being there through the year and being by my side during the year. Although we had some rough times with some people, and we make sure that we did what we can do during covid. We had a lot of fun when we do the show on Facebook live. I know we do not do any travel but if we did, we would a lot of fun things. I am immensely proud to have you as my prince.

My princess Anna Rexik, thank you for being an awesome person.

My empress Star Kirkland, what can I say? I know we been friends and crime partners for 4 years. You really show me a lot of different things through the years. We did a lot of shows together and we did a lot of crazy things for our reign. I do appreciate your help and being there for me during the hard times. Also thank you for being my backbone and to be my voice when I need it. I can not believe we went two reigns together as Prince and Princess 44. Then we went though the reign as emperor and empress.

Love,
Drew Juarez Benedict-Skywalker
Emperor 47

Welcome to PR Ball 48 Animation Station: Animation Throughout the Years!

Thank you for joining us for our first ever virtual PR Ball! Although this past reign was challenging due to COVID-19, I had a phenomenal time as Princess Royale 47 of the Imperial Court of the Rocky Mountain Empire. I have had the pleasure of working with and getting to know several amazing individuals, who have helped me to become a stronger leader while still remaining humble. I will be forever grateful for the love, advise, support and friendships that have been bestowed to me as a result of my time as Princess Royale.

For my community in Denver, Colorado: The love, strength and perseverance you present is absolutely wonderful and will continue to make this community a foundation in which we can all come together and continue to grow and prosper. To the bars, businesses and organizations that helped support us during our reign- thank you. Thank you all for your support in allowing us into your homes to host events when we were able to, for your donations to help those in need and most importantly, thank you for allowing us to help your organizations during these uncertain times.

To the College of Monarchs: Thank you for allowing me to grow within this organization. Thank you for your continued support and advice as well as the great times and the laughter. To the anniversary Monarchs: Gary Edwards, Stephanie McCall, Brittany Michaels, Twyla Westheimer, Fred Valdez and Mercedes Chanel, thank you for your words of encouragement along with your teaching of our history- I only hope to one day continue that legacy into the future.

To the College of Cardinals: Thank you all for your advice, support, love and words of encouragement throughout the reign as you truly made me feel a part of this family. For that I will be forever grateful. For my anniversary PR's: Nina Montaldo, Jazmine James, Alex Alba, and Brandi Alexander, thank you for your support throughout the reign- I only wish I was able to have spent more time with you all during this past reign, but I look forward to the day when we will be able to do so safely.

To the Empress Line of Succession: We did it! I could not have done it without your continued support. The fun times, the laughter, the drive you all had to be successful, we did as a team, but more importantly- we did this as a family. Gabbie, Michael, Sabrina, Josh, Matt, Dannie (Lightening), Alanna, Sable, Sophia and Kay, thank you for being a part of my family now- I love each of you.

To Emperor 47 and Prince Royale 47: Drew and Freddy, you showed me strength and determination in myself that I had never known until this reign, and for that I thank you. Thank you both for your support as you nominally assisted in creating a successful reign.

To Empress 47: Star, my Empress, my friend, my sister- We did it! Never did I imagine when we started this journey over two years ago that we would have the challenges with COVID or other associated hurdles- but all of that made you the epitome of an Empress AND an authentic leader. Through your hard work and perseverance, you helped make this reign amazing, successful and fun. You made us all feel like a family and treated us all with respect and dignity. I could not have more prouder to have

been your Princess Royale. Because of your determination, I have learned so much from you including what it means to be a true leader. I am so honored to call you a friend and a sister and the bond we created will last a lifetime. Thank you for allowing me to be a part of this journey.

To anyone I may have missed, please know that I appreciate the love and support you have given me over the last year and I hope that you'll continue to provide that love and support in the future to not only myself, but to those who endure this journey in the future.

I hope you enjoy your evening with us. Remember to stay humble and be kind to one another.

URBAN PLAN

Brunch is about to get twisted. Real twisted.

Coming Soon to Denver Sweet Stay Tuned.

THE 7th REIGN

40 YEARS AGO, I had the opportunity to serve as the **7th Emperor** of the Imperial Court of the Rocky Mountain Empire and I have many wonderful memories of that year.

We have made many changes over the past **Four Decades** to our organization, and I continue to work to make the Imperial Court an important and continuing part of the Denver Community

The 7th reign also brought its share of **Firsts**. Denver elected its first African American Empress, **Stephanie McCall** I received a mandate of the city being overwhelmingly elected. I was the 2nd Emperor inducted into the International College of Emperors.

Our reign was the first to hand out Turkeys purchased by the Emperor to CAP's Thanksgiving baskets at the Community Center

All of our functions were held at Rossi's Catering Hall.

Our PR Ball theme was **Rags to Riches**

Our Snow Ball theme was **A Gala Event in Toy Land**

My King of Hearts was **Viva Las Vegas" A Night of Burlesque"**

CORONATION was A NIGHT OF EXTRAVAGANCE

Our stepping down was at the Paramount Theater in Denver. Stephanie and I were lowered from the ceiling to begin our stepping down amid the backdrop of the Mountains and a live waterfall.

To my **Anniversary Monarchs** Empress 17 Brittany, Empress 27 Twyla, Emperor 37 Fred, Empress 47 Star & Emperor 47 Drew: Thank you for all that you have done with your reigns to keep our court system growing for the Denver Community. The memories we have created will never be forgotten. I look forward to this Covid Virus moving on so we may all be together again .

The Dawn of the Crystal

Twyla Westheimer

In a first for the Imperial Court, the uncontested candidates, Kent Epperson and Twyla Westheimer were elected Emperor and Empress XXVII. It was the Reign of Respect, Sparkle and Excitement and sparkle they did as the 27th reign returned with numerous out of state coronation awards for Best Entrance and Best in Costume.

The 27th reign really plugged into a variety of events. They were the first to work the concession stands for the womens pro football league. As a Court they were able to raise \$3700 for the Pink Ribbon Campaign Fund for Breast Cancer, support the CAP Thanksgiving Food Band and have over \$15,000 in the White Rose Scholarship Program to give away.

Kent and Twyla were crowned at the Holiday Inn, DIA and took their step-down back to the Adams Mark Grand Ballroom. A first since Reign 16. Snowball was held at the Executive Towers Hotel with a theme of Christmas In Shangri-La. Kent chose to have his King of Hearts at the Doubletree Hotel with the theme of Merlin and His Knights of Fantasy and Frolic. Coronation 28, at the Adams Mark Grand Ballroom was converted to the Garden of Babylon with a 43 foot long set that was and awe inspiring 24 feet tall. The theme was The Seventh Wonder of the New World, the Secret Gardens of Babylon.

The line of succession played a highly critical part in the success of the 27th reign. This line saw the a male title on the Empress line and a female title on the Emperors Line and the addition of a Royal Family. It consisted of Prince Royale Blake Kleeberger and Princess Royale 27; King Father for Life, John Schlegel and Queen Mother for Life, Empress II Scotti Carlyle;

Grand Duke Ron Jenkins and Grand Duchess Sterling, Czar Bryan K and Czarina Janelle St. Christopher; Marquis Fred Valdez and Marquessa Sophia DeVille; Don Stephen Gerow and Reina Morgan Manchester, Count Patti Willyard-Stout and Countess Sue Stout; Baron Lucious Lena; Crown Prince to the Emperor Debbie Watts and Crown Princess to the Emperor Susie Graves; Crown Prince to the Empress Diamond Mink and Crown Princess to the Empress Whitney Gayle; Viscount Scott Bullock and Viscountess Sue Ann Michaels. The Royal Family include Imperial Lords: Kelly T, Jonathan Crenshaw, Gary Burchfield, Burk Valdez and Stan Horney. Imperial Lady was Sapphire Blue DelRey.

The permanent titles went to two incredibly supportive court members. Kent gave his title to Susie Graves, Daddys Princess, the Protector of Integrity to all Emperors for Life. Twyla gave her award to Backseat Betty as the Imperial Lady of Lights to all Empresses for Life.

Reign 47 – 10 Year Anniversary Monarchs

Celebrating their 10yr Anniversary, Reign 37 of ICRME

The Legendary Crystal Court of New Beginnings, Unity, Community and Friendship

Prior to Coronation 37, there was only one candidate running for the office of Empress and Mercedes Chanel still campaigned 5 days a week promoting the ICRME. The BOD got together to appoint a Regent. Fred Valdez was asked to take the Emperor 37 position as Regent and he humbly did so as a long time supporter of ICRME as he is also Prince Royale 12. Along with the BOD, the Legendary Crystal Monarchs were invited to select the Regent. There were others seeking the Regent position. The vote was unanimously for Fred Valdez, a true gentleman.

Mercedes and Fred immediately set out to let the community know what the Imperial Court of the Rocky Mountain Empire was all about. Although Fred did not have to campaign, since he was voted in as a Regent, Fred accompanied Mercedes hitting the streets of Denver and traveling to over 14 Coronations across the nation. When Coronation 37 came the representatives/line of succession for the Imperial Court for a year of charity work were selected.

Mercedes and Fred selected their Line of Succession:

PRINCE ROYALE – Alexander Alba
PRINCESS ROYALE – Brandi Alexander
QUEEN MOTHER SUPREME – Empress 2 Scotti Carlyle
KING FATHER – Emperor 29 Robert Flores
QUEEN MOTHER – Empress 34 Janelle St. Christopher
GRAND DUKE – Ken Bazan
GRAND DUCHESS – Sasha Andrews
CZAR – Tyler Bohn
CZARINA – Star Kirkland
MARQUESSA – Brie Alexander
DON – Oscar Medina
REINA – Sabrina McKay
BARON – Baker Alexander
BARONESS – Norrie Reynolds
COUNT – Alejandro Hernandez
COUNTESS – Birgitta Summers
DAUPHIN – Bill Bourassa
DAUPHINE – Fantasy Angel

The Line of Succession assisted the Monarchs in Fund Raising for the year. Being the first reign to form a partnership with, at the time, Invesco field for their concessions operation charity program.

Reign 37 stayed on the move about the city either with each

other or on opposite sides of the city covering as much ground and as many functions as they could and worked extremely hard. This also included visiting other Realms. The Monarchs, PRs and line members helped in putting the ICRME Empire on track raising monies to give to their chosen charities. The Reign traveled out of Realm to visit other cities which brought in a high number in attendance for their step down, last minute full tables had to be added to the ballroom, to introduce Coronation 38, *An Imperial Postcard, A Royal Journey Through Colorado's Riches*.

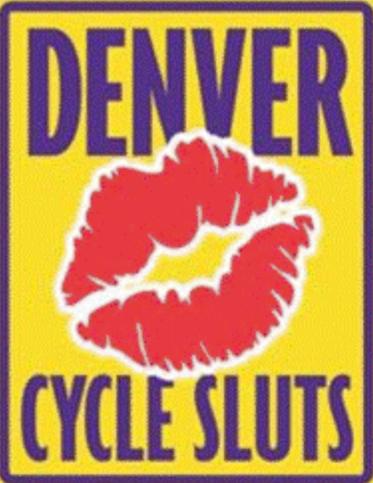

The Monarchs each gave permanent titles to their Prince and Princess at Coronation 48. The Everlasting Deviant Prince Of Eternal Darkness & Inspiration, Prince Royale XXXVII Alexander Alba and The Calming Amethyst Winged Fairy Princess Of Enchantment and New Beginnings, Princess Royale XXXVII Brandi Alexander.

Fred gave his permanent title to The Absolut Keeper of All That Glitters, Imperial Slut to All Monarchs For Life, Zoey Diddim. Mercedes gave hers to The Angelic Storm Sister to the Gods to All Empress For Life!, Vi Puzon. At Victory Brunch the following morning, the Regent title was removed from the Emperor title and the rest is fabulous.

The Legend of the Moose
The Ivory Antlered Golden Eyed Moose Emperor of Memories, Dedication and Possibilities
Emperor XXXVII Fred Valdez

The Thunder of the Crystal
The Fury of the Rockies
The Ultra Violet Storm Empress of Spirit and Resilience
Empress XXXVII Mercedes Chanel

CORONATION 52

On

NOVEMBER 13, 2021

To our son, Emperor 47 Drew Juarez Benedict-Skywalker ,

We want you to know how proud we are of you. You pursued your dreams of becoming an Emperor even with all the obstacles before you. You showed yourself and others that despite your speech and physical disabilities due to your Cerebral Palsy, you have made a difference. You showed that you are a smart, determined, and loving soul. You worked hard, raised money, and did your best to participate, even with the COVID limitations. You found your voice and stood up for yourself and others with disabilities. We could not be prouder of the man you have grown to be. You have a heart of gold and a never give up attitude. Keep up the fight for people with disabilities. YOU do make a difference!!!

We love, respect, and admire you for all that you do!!!

Love,
Felix and Rosalie Juarez (Dad and Mom)

Star aka Curtes,

Words alone cannot express how proud I am of you for all that you have done this past year. You were an Empress that shined in a time when it seemed like there was nothing we could do. You faced the challenges that the world threw at us and Pushed forward with Grace, Class and Strength. Doing things outside of the box and showing that when times are tough ,there is still hope. You gave your time when needed and you Marched with those in support of justice and equality. I know at times it wasn't easy, tears were shed, disagreements were spoken and changes were hard to make, but you along with those around you made things happen and your legacy was created.

I am proud to not only watch what you accomplished but was able to stand with you and cheer you on the whole way. You are as your name is, a "Star"!

I love you with all my heart and as your Journey as Empress comes to a close, I look forward to what not only what our future may hold but what awaits you down the new road you are headed..

**Congratulations , My Friend,
My husband , My love.**

I want to say congrats to my Empress Star Kirkland. Both of us had our time together as prince and princess 44. I know we rocked it during that year. But as Empress and Emperor 47, we both did an awesome job and during this craziness of COVID. But I know you are an awesome person and you are my crime partner for life.

Thank you for everything that you did during the reign. I know we did a lot for the community and for ICRME.
