Thank you

This past year has been nothing short of transformative for me. ICRME commitment to supporting the LGBTQIA+ community and advocating for equality and inclusion is inspiring.

Through our collective efforts, I am immensely proud of what we have accomplished together. Every event, monies raised, and initiative we worked on together has left an indelible mark on my heart. Reign 50 is more than the milestones and achievements of its members. It's the moments of connection, understanding, and solidarity that I will cherish forever. Thank you.

Working alongside such a honorable and thoughtful person has been a privilege. Your sacrifice to our country and the community is a testament to your character. Thank you for entrusting me with the opportunity to serve the community and HMIH Empress 50 Sophia Sexton.

To my reining partner Prince Royale 50 Joshua Martinez. Thank you for navigating these waters along side me. You're a kind soul and I'm so grateful for what you have done.

My Rein 50 family...I am deeply blessed for the friendships forged, the memories shared, and the impact we have made together. Without you all, I'm not sure much would have gotten done. Thank you to the "Work Horses", the "Beer Wenches", the "Behind the Scenes", the "Crafty Queens", the "Loud Mouths", the "Plus Ones". So many things we do are thankless tasks. You are all seen and an inspiration to me. Thank you for everything.

Thank You

To my mentors & predecessors whom have blazed a trail and carved a path for us thrive. Thank you for your time & your blood sweat and tears. For the monarchs who have supported me, thank you for showing up and showing out. Our organization can only survive with the participation of the "Old" and "new".

My fabulous past PR's, it's an experience only PR's can attest to. It's a journey of peaks and valleys. Being second on the chopping block is a challenge. The greatest thanks to Princess Royale 49 Jacklyn Hyde LeCher, for your guidance, talents and shoes. To me you are The Standard. I cannot wait for you run (pun intended). Prince Royale 49 Loki Sexton, you have been an amazing light and presence for not just me. You truly are a blessing. I'm so grateful for you and everything you have done.

There is a lot of work that needs to get done to manifest an idea into fruition. So I want take time to give credit where it's due. You all have given us resources to create something special. Thank you to all the production staff, organizers, performers, DJ's, photographers, venue spaces, bars, businesses, charities, organizations, advocates, out of town courts, members, and patrons.

ICRME is much obliged to our Board of Directors, thank you for the tireless and thankless work you all do. So many things happen out of the spotlight to support the organization and the monarchy. Im am much appreciated to all the work that was done against all the obstacles we have faced in our personal lives.

Thank you

I could not be here or standing in from of you all without giving proper recognition to my Family, chosen and biological. Thank you Mom's for your unwavering support, love, kindness, empathy, and understanding. You have been a guiding light during both the brightest and darkest moments of my journey. Whether it's lending an empathetic ear to offer or simply being there to share in life's joys and sorrows. My heart is always with you.

Emperor 49 Alexander Sexton. Your friendship has been a constant source of joy, comfort, and inspiration in my life. From the countless laughs we've shared to the moments of vulnerability, every interaction with you fills my heart. I am continually amazed by your strength, resilience, and capacity for love and compassion. Your unwavering support has given me strength. It is a daily reminder that just because you are a Full-time ICON, doesn't mean you sacrifice being a good person. Thank you.

Finally, I look forward to slaying connected and supporting ICRME, the new reign and the monarchy in their pursuit of fundraising, advocacy and allyship.

Princex 50 Tommy Sexton
