Regent Emperor and Empress Candidate for Reign 49
Voting is underway for Regent Emperor for Reign 49. We have four wonderful nominees: Alexander Alba (Alexander Sexton), Roger Conejo, Annabella LaFontaine and Alfredo (Freddy) Mendoza. Regent nominees are elected by the College of Monarchs and the Board of Directors, with the successful new Regent being disclosed during crowning ceremony at Coronation 49, April 16th. Officially, on the candidate side, we have one candidate for Empress, who will be sharing information soon after her debut at King of Hearts, official campaign kickoff to be held March 12, 2022. Voting for Empress 49 will be held on Saturday April 9th from 12pm-5pm at The Center on Colfax.

It's the Most Wonderful time of the year!!!! NO, I'm not talking about Christmas, that was two months ago. It's February and there is so much going on. This time of the year is one of the busiest for the Imperial Court of the Mountain Empire. We just wrapped up candidate review, we are in the final stages of King Of Hearts planning which is one month away and busy with scheduling all the Coronation weekend events. My king Father, Emperor 35 Johnny Romero and myself have been busy with the final touches for King Of Hearts together. King of Hearts is the Emperor's annual event, this year the event is raising funds for Urban Peak. Urban Peak is a non-profit 501(c)(3) organization, that provides a full range of programs and services that help youth experiencing homelessness in the Denver metro area and put them on a path toward self-sufficiency. Make sure to mark your Calendars for March 12, 2022 and come to the People's Building for this fabulous event, which is the kickoff to campaign weekend. The last couple of months have been challenging, but totally worth it. I have been busy every weekend, either traveling to out of state coronation or attend one of our fundraising functions. I will be doing my final out of state walk at New York’s Coronation along with my ten year anniversary Empress Stephanie Paul and my forty year anniversary Empress Annie Brenman-West. Coronation 49 is just about two months away and you don’t want to miss it!!! Bring your family, friends and/or children to this All ages event and help us celebrate all the hard work Reign 48 has done this past year. You can support us by either making a donation in our website, purchasing an AD from our coronation program or attending any or all of our coronation weekend events. Make sure to visit our website for more information. This next couple of months are sure jammed packed with lots of fun events, so make sure to follow our social media pages and support us as we wrap up and transition to Reign 49.

February 2022
Hello everyone!

I hope you have all been staying safe, and healthy, since the last newsletter. Reign 48 has been working hard to continuously raise funds for charities, Alexander Foundation, The Center on Colfax, Rainbow Alley, Colorado Health Network, just to name some. The Empress’s Ball was a huge success in all aspects. It was nice to see the crowd partake in the 1st year of the masquerade mask competition.

Traveling as reigning Empress has been super exciting, networking in the circuit and meeting new people. I had an amazing time in Houston celebrating with everyone. I am excited to be traveling to Seattle and Long Beach coming up. Aside from all this traveling, we have some amazing things going on in our own city. We have a new LGBTQ+ bar “Sir” and are in the works to get an event there soon. We will be having a brunch 2/27/22 at #Vybe. ICRME is about to start its campaigning and voting process for new monarchs which leads up to Coronation 49 Dia De Los Muertos April 14th - 17th. Even though I will be stepping down as reigning monarch I will continue to support ICRME and what it believes in. This year has definitely had its obstacles with the pandemic and everything however as an organization we did not let that stand in our way of raising funds for others! I hope to see everyone at Coronation 49. Please go to our homepage Icrme.org to purchase your ticket. This will be a ball you don’t want to miss.

It has been a busy winter for me so far, filled with beer busts and performances. I was invited to perform with Majestic Hearts Pageantry in two of their shows. First their Annual Holliday show and second their Annual Valentines show. I made my Colorado Springs performance debut at UCPPE’s Holiday show and my Charlie’s performance debut when I was invited to perform in the CGRA Holiday Show. It was truly an honor to represent ICRME and the 48th Family working with these other parts of our community and raising funds together. With all that going on I also have been busy helping His Most Imperial Majesty Emperor Jio with King of Hearts. It is going to be a phenomenal success. I am so excited for him and the night he has planned.

As my year as Prince Royale 48 winds down, I am excited about things to come as we plan A Black-Tie Affair – Neon and PR Ball 49 – Neon Graffiti Art Pop! Time is going to go fast but it is going to be a fun time for sure.

I can’t believe we are in the final home stretch! Every day has been filled with love and support and I couldn’t have asked for a better year or group of people to be a part of it with. I still have a couple more coronations I would like to attend including Seattle which is already booked. I have my gowns ready!

We have some of our most amazing events coming up. I am super excited for black tie affair: NEON. Roger and I worked really hard on it and I am excited to see it come together. King of hearts this year should be amazing with a lot of special treats. Obviously then there’s coronation. PR ball’s theme is art pop, so bring out your Andy Warhol, lady Gaga inspiration! I have been gathering thoughts and ideas for a final number that’ll make me cry.

Dan and Stephanie stepped into the role of Emperor and Empress knowing that they had big shoes to fill but were ready to make a mark and show the world they were here.

Our family stuck by us through thick and thin. They built an amazing float for Pride and then spent the whole weekend making sure everyone attending had a cocktail. Stephanie and I are honored and humbled by our family and that bond still endured to this day.

During our reign we started to see a shift in venues and availability was limited causing us to throw shows in some sketchy places but Stephanie killed it for Snowball 38 and Michael Vrooman killed it by making us a train as our backdrop. We also started doing concessions at Broncos games and made $10,000 for our charities over the course of the season.

PR ball was the kickoff to our coronation weekend where we saw the fruits of our hard work come to pass. Coronation 39 was filled with our friends and families and our reward was to pass the baton to the next reign.
