## Welcome by Her Most Imperial Majesty

My sincerest thanks to the 50th Dinner Committee, especially Karl Wesley, Annie Brenman-West, Alexander Sexton, Lushus La'Rell, Brittany Michaels and my representative Brandi Roberts. We look forward to welcoming everyone that night followed by our wonderful Coronation. This has been 2 years in the making with so many people volunteering their talents to make it happen. We will have performances from all aspects of our community with the Women's Choir and age groups with youth dancers.

We've really enjoyed great relationships with or host bars #VYBE, Sweet, TRACKS, Charlie's and now Bad Habits. Thanks for letting us do

what we love . . . performance art with a charitable mission. Self-expression is a wonderful thing and we have a great groups of people who share their talents.

It's nice to see members return we haven't seen for a while and I really love seeing attendance at our events improved—to see people enjoy themselves is really thanks enough for me as Empress. It's a feeling of family I will never forget!

Our candidates have all had wonderful functions and I think the Empire will be in good hands! Thanks, Cubby, Sophia, Anna and Goliath for believing in the organization and wanting to continue our

traditions. Best of luck to all of you. Please visit our website to select the events you wish to attend this Coronation Weekend, April 6 - 9.

Along with His Majesty, I am privileged to serve as your Monarch.

Lovingly yours,  
HMIM Jackie O

## Prince Royale 49 LOKI

Hello family, first, I'd like to say congratulations to our Emperor on a wonderful and successful King of Hearts. I've heard nothing but praise and joy for the event. Also, it fills me with such joy that the title of regent was removed from our Emperors title during the event.

Now with king of hearts in the rearview mirror, we are coming to coronation 50!

With that comes PR ball. I am so excited! The Princess Jacklyn and I with an amazing team are working very hard to make this one of the best PR balls ever!

The theme is the roaring 20s! It's going to be a night of glitz and glam. Great Gatsby eat your heart out.

We are going to have amazing entertainment from all over the country and even here at home. It is going to be a fabulous and emotional night for me personally. As my amazing counterpart, Jacklyn Hyde La Cher and myself step down from this amazing successful year.

I want to give my appreciation and love to the ICRME Family and friends. It was with your help and support that made it so wonderful. We laughed. We cried. I lost 10% of my hair and then another 20% went gray. That could also be because just for men doesn't last forever. Lol.

So remember coming up is also our awards banquet. I know I have several to give out to our amazing family. This year is going to be at a wonderful venue. A place called chocolate lab. It is going to be fabulous. Just keep the princess away from the chocolate! No joke.

Be sure to hit me up for tickets to this event. There is a limited number of these so reach out to me quickly. I want to wrap this up by saying.

Be sure to reach out to our mentors that have been in this organization for a long time. Their knowledge and guidance is priceless! No one individual has all the answers. But when you get several of them together it paints a beautiful and amazing pictures.

Remember you need to reach out to them. Don't expect things to just fall into your lap. Trust me it doesn't happen.

With my love and gratitude, thank you to my mentors that have helped me succeed.

I look forward to celebrating coronation and PR ball with you all.

Sincerely, With Love and Light

## Princess Royale 49 Jacklyn

Hello beautiful creatures!

I can't believe Reign 49 is coming to a close. It seems like just last week Empress Jackie O. extended to me the honor of being her Princess Royale...and just like yesterday I was hobbling around PR Picnic in a boot with a broken foot. It all started with a bit of a limp, but I'm proud of the work we've accomplished this year.

I've tried to do everything during my reign as Princess with gratitude and love. It's only fitting that I end it with the same.

I'm so grateful to this community of amazing talent and kind hearts. When I joined the court for Reign 48, I was so impressed with the welcome reception and excitement over new "young" talent. You welcomed me with open arms. There are so many of you I'm

proud to call my chosen family, and so many more I call friend. Thank you for accepting me into this wonderfully weird realm.

In this time of social and political division, it's more important now than ever to stand as a whole community. There's too much hate out there that we don't need to waste time with it amongst ourselves. We should be extending the same grace, kindness, and love we want from others to each other. I hope that's what I've accomplished this year, and continue to work towards everyday. I strongly believe that we can change the world for the better by advocating for love, positivity, and acceptance.

Most of all, I want to leave you with a simple message. You're amazing. All of you. Be kind to yourselves and to others.

Love ya,

HMIH Princess Royale 49

I have been an active supporter of the I.C.R.M.E. for over 20 years. It has been a pleasure of mine to support so many Reigns during the years, as well as many other organizations in the Community. As a member in the GLBTQIA+ Community it has been my honor to serve in many capacities. Some examples of serving are a member of the audience and donating, as a participant donating my time and efforts and as a host. I have served on line 48 as Marquis and currently as Grand Duke 49.

Over the years I have also participated with the Boys of Leather, the Front Range Bears, Majestic Hearts, Gay Pride of All Colorado, Rocky Mountain Shining Star, and more. I would also like to share that I have held the title of Mr. Leather Colorado with the Leather Colorado Founda-

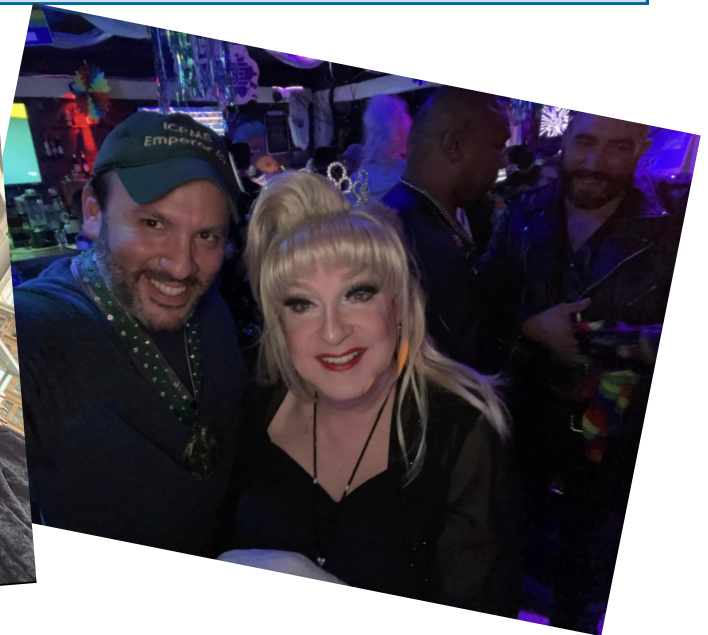

tion for 4 years. During the last few years, while supporting the organizations and the Community, I have had the pleasure representing the Leather Colorado Foundation as a contestant at I.M.L, the International Mr. Leather held in Chicago, IL. and attending 12 out of state Coronations to represent the I.C.R.M.E.

In all my roles I have served from the heart with Dignity and Respect for all. I have proven myself to be approachable and accepting and look to continue serving into the future. It is my hopes that I will be able to continue as Emperor 50 of the I.C.R.M.E. and grow the friendships I have made and make many more.

In Service to Our Community,  
Cubby

## Candidate #2 for Empress 50—Sophia M Sexton

I born and raised in the great state of Colorado. Grew up in a small town east of Denver, in Bennett. Where I graduated and went on to serve world's finest Navy for 5 years, from 2006 to 2011. I went to boot camp in Great Lakes Illinois, then went on to Golf Port Mississippi. While in Golf Port, I trained to be a builder. As a builder you are trained to do carpentry work, pouring concrete, also train to fight. Builders are part of what is known to the infamous Sea Bees, where many other branches of the Military would look to for help. Once finishing my training, I went on to my home base in Port Hueneme California. During my time in the Navy, I was deployed 4 times to places like Sasebo Japan, Iraq, Andros Island in the Bahamas, and Afghanistan. Also spent a week in Germany and went to Kuwait 4 times. In 2012, I moved back to Colorado where I met more of the LGBTQ+ community, meeting some of the amazing drag queens in the community, such as Kiera Sexton. Kiera

introduced me to the Gay Pride contest, where I competed for Miss Gay Pride. I became Miss Gay pride 2017-2018. I took the title back to California and performed for my community in Oxnard/Port Hueneme. It was a true honor to bring that title to them and represent my Colorado community. Also, during that time, I learned of the Imperial Court of the Rocky Mountain Empire. Empress 44 Rosa Maria Sugarbaker asked me to be part of her line. This is where I started my journey with the Court with Reign 44 as Marquisa. Then went on to Reign 45 as Princess Royale. During my time I help raise money for charities such as Denver Health Network, Matthew Shepard foundation, and many others. I look forward to continuing helping and representing my community the best I can!

## Candidate #3 for Emperor 50—Goliath Steel

Hello, My name is David Elijah Nieto (Goliath Steel) and I was born September 25th 1986 in Albuquerque New Mexico. Growing up in a lower income part of town I have always felt and understood the need for community-based organizations and programs that assist with living conditions and support. I grew up experiencing firsthand the power of community.

In 2015, I was elected Emperor XXIII of The United Court of The Sandias now known as Imperial Sovereign Court of New Mexico. I had a successful reign working with the community and building family. Because of how I lead and the work I did, I was recognized by being named King Father II after my reign. I have also held The Title Mr. New Mexico Pride 2020 and worked with the community to building unity and family. It was after doing this I became a pageant owner of the Mr. Leather Steel & Miss Erotica Lace Pageant. This has taught me how to run a successful pageant and added to my ability to lead and create community.

I have always been involved with charity non-profit based organiza-

tions and build my passion which I feel shines best when I am in service to the community and my chosen family.

I moved to Denver Colorado in 2020 after receiving news that I was offered a position to work in a Lasik center for vision correction and I felt it was time to spread my wings and grow following my dreams to Denver. Once I arrived, I hit the ground running and started contacting local members of The Imperial Court of The Rocky Mountain Empire to see how I could offer my help and support for their goals and events. My relationship with ICRME has gone back years but to now be involved directly became a blessing. I was given the opportunity to be Grand Duke with the 48th Reign. I made great friends and family as I helped my new family work hard for the community.

My passion for community has no borders and will always be my love language. I am here to make a mark in service amongst the Titans and Leaders who have paved the way in ICRME and our community.

I am honored to be a candidate for Emperor 50 and humbled by the support that has been shown to me. This giants name Is Goliath Steel and I am here to help move ICRME forward as I have "A Giant View of Building Our Future" and cannot wait to do it with community, fun, love and you.

## Candidate #4 for Empress 50—Anna Rexik

Hello Distinguished Monarchs, Members, and our Community!

My name is Anna Rexik and I Candidate #4 for Empress 50 for the Imperial Court of the Rocky Mountain Empire. For those that do not know me, I have been a member of ICRME since Reign 43. I have had numerous titles within the organization including, Marquessa 43, Czarina 45, Grand Duchess 46, and I am a permanent title holder as Princess Royale 47. I have also served on our Board of Directors as the Court Treasurer and most recently as Vice President.

A little bit more about my background, I am originally from the southern east coast and have lived in Colorado since 1993 living in the Denver Metro area for the last 15 years. I attended Colorado State University and have attended Metro State College as well. I've been with my employer, Canvas Credit Union (previously Public Service Credit Union) for 15 years, with my current role being a corporate internal auditor. When I am not working during the day, I spend time with friends and family and help whenever and however I can within our community (typically with ICRME). I also enjoy spending time frequenting our LGBT establishments, because without them we would not have a safe space to gather. I love to travel when I can and enjoy cooking and baking.

I have been a part of the Drag community for several years including being part of the

CoTini Girls, a competitor in Track's Ultimate Queen competition, a guest performer at shows and have worked with some amazing local queens and queens from RuPaul's Drag Race and try and support our local talent whenever I can. I have built amazing friendships with many in our organization and community and several of them I consider family- and I couldn't not be more thankful for those relationships.

For my campaign and logo, I chose the phoenix, as it is a symbol of strength and rebirth and a reminder that regardless of how difficult things can get, there is always a light at the end and that I have always come out stronger than before. This was also my symbol as Princess Royale 47, my color is ultraviolet (fancy way of saying purple) as it has always been my favorite color. My slogan is to build upon and carry on the legacy, as I would love to continue to build upon a strong legacy of those before me while also helping our community. I am also very fortunate to have an amazing staff that is supporting me and helping me through this journey, and without them, none of this would be possible.

I look forward to helping our community more and building upon a legacy created by strong members of our organization and hope to carry on that legacy. I hope that'll vote for me on April 1st at the Center on Colfax and join the Imperial Court of the Rocky Mountain Empire on April 8th at the Double Tree Hotel for 50 Years of Noble Deeds hosted by Their Most Imperial

Majesties, Emperor 49 Alexander Sexton and Empress 49 Jackie O.

With Love, Light and Happiness,

Anna Rexik
